Dear Friend:

I am enclosing Passes for some placards I ordered shipped to you for our game here Labor Day. Will appreciate you distributing the cards for me. Drop me a postal card when you receive them. Let me know if you will come to the game, and how many you will have with you.

The Grays are now in first place, but The Eagles are right up on their neck. It might be possible this game in Newark Labor Day will decide who wins, it all depends on how the two teams make out this week-end. I imagine the Colored Papers will have the results and standings, so keep in touch with them so you will know how to advertize the game.

Very truly yours,

EM:CCJ
